Senior-level Product Designer working on large-scale B2C products, currently at **CVC Viagens**, Brazil's largest travel company. I lead the full UX cycle: research, information architecture, flows, interface, UX writing and testing, with decisions guided by data and AI in day-to-day work. I bring 20+ years as an entrepreneur: business vision and a focus on delivery.

EXPERIENCE

More Design / More Studio

Oct 2023 – present · São Paulo · remote

CVC Viagens, B2C products · Apr 2024 – present

- Facelift and ongoing UX support for the B2C website and app products, and for Atlas, the website used in physical stores.

Studio · concept projects · Oct 2023 – Apr 2024

- Livelo (new travel experience), Porto (new SOS area) and Estácio (student learning platform).

Reino Studio

May – Sep 2023 · Rio de Janeiro · remote

- UI designer for the agency's international clients; took part in the redesign of Reino's own website.

Rethink

Jun 2022 – Jun 2023 · Belo Horizonte · remote

- **Abastece Aí (Grupo Ultra):** app redesign with benchmarking, A/B and usability testing; new home approved in Mar 2023.
- **GOL / Smiles:** VoeBiz UI; My Uber, Notifications and Quiz in the Smiles app; new car rental UX on the website.

Before digital

- **Freelance graphic designer** · 2017–2022 · visual identities for record labels, artists and events.
- **Entrepreneur in the events industry** · 20+ years · operations, negotiation and customer experience.
